## INDEPENDENT AUDITOR'S REPORT

To the Policy Council  
Southwest Iowa Planning Council and  
Southwest Iowa Transit Agency  
Atlantic, Iowa

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency (a 28E Organization) which comprise the statements of net position as of June 30, 2018 and 2017 and the related statements of support, revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Policy Council  
Southwest Iowa Planning Council and  
Southwest Iowa Transit Agency

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency as of June 30, 2018 and 2017 and the changes in its financial position, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require Management's Discussion and Analysis, and the Schedule of the Organization's Proportionate Share of the Net Pension Liability and the Schedule of Organization Contributions (and the related notes) on pages 3 through 3c and on pages 23 through 25 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board which considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with U.S. generally accepted auditing standards, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### *Supplementary Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise Southwest Iowa Planning Council's, including Southwest Iowa Transit Agency, basic financial statements. The supplementary information on pages 1 and 26 through 29, including the Schedule of Expenditures of Federal Awards required by Title 2, U.S. Code of Federal Regulations, Part 200 Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

To the Policy Council  
Southwest Iowa Planning Council and  
Southwest Iowa Transit Agency

**Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated October 8, 2018 on our consideration of Southwest Iowa Planning Council's, including Southwest Iowa Transit Agency internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Southwest Iowa Planning Council's, including Southwest Iowa Transit Agency internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Southwest Iowa Planning Council's, including Southwest Iowa Transit Agency internal control over financial reporting and compliance.

A Bright Look Ahead™

**SOUTHWEST IOWA PLANNING COUNCIL  
INCLUDING  
SOUTHWEST IOWA TRANSIT AGENCY  
MANAGEMENT'S DISCUSSION AND ANALYSIS**

Southwest Iowa Planning Council, including Southwest Iowa Transit Agency (SWIPCO) provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal years ended June 30, 2018, 2017, and 2016. We encourage readers to consider this information in conjunction with SWIPCO's financial statements, which follow.

**2018 FINANCIAL HIGHLIGHTS**

- SWIPCO's operating revenues decreased 8%, or \$448,244, from fiscal 2017 to fiscal 2018. Federal Transit funds increased by 6% and State Transit funds increased by 9%. Community Development Block Grants, RLF Grants, and Housing grants increased.
- SWIPCO's operating expenses were 9%, or \$435,204 more in fiscal 2018 than in fiscal 2017 due mainly to salaries to meet demand.
- Net position, or total assets and deferred outflows of resources net of total liabilities and deferred inflows of resources, increased by approximately \$818,000 during fiscal 2018, an increase of approximately 13.5 percent.

**2017 FINANCIAL HIGHLIGHTS**

- SWIPCO's operating revenues increased 30%, or \$1,250,599, from fiscal 2016 to fiscal 2017. Federal Transit funds decreased by 7% and State Transit funds decreased by 11%. Community Development Block Grants, RLF Grants, and Housing grants increased.
- SWIPCO's operating expenses were 22%, or \$823,154 more in fiscal 2017 than in fiscal 2016 due mainly to purchased transportation to meet demand.
- Net position, or total assets and deferred outflows of resources net of total liabilities and deferred inflows of resources, increased by approximately \$1,003,000 during fiscal 2017, an increase of approximately 19.8 percent.

**USING THIS ANNUAL REPORT**

Southwest Iowa Planning Council, including Southwest Iowa Transit Agency is a 28E organization and presents its financial statements using the economic resources measurement focus and accrual basis of accounting, which is the same measurement focus and basis of accounting employed by private sector business enterprises. This discussion and analysis are intended to serve as an introduction to SWIPCO's basic financial statements. The annual report consists of a series of financial statements and other information, as follows:

Management's Discussion and Analysis introduces the basic financial statement and provides an analytical overview of SWIPCO's financial activities.

The Statement of Net Position presents information on SWIPCO's assets, deferred outflows of resources, liabilities and deferred inflows of resources, with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of SWIPCO is improving or deteriorating.

The Statement of Support, Revenues, Expenses and Changes in Net Position is the basic statement of activities for proprietary funds. This statement presents information on operating revenues and expenses, non-operating revenues and expenses, and whether SWIPCO's financial position has improved or deteriorated as a result of the year's activities.

The Statement of Cash Flows presents the change in SWIPCO's cash and cash equivalents during the year. This information can assist the user of the report in determining how SWIPCO financed its activities and how it met its cash requirements.

Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

Required Supplementary Information further explains and supports the financial statements with a comparison of the Organization's proportionate share of the net pension liability and related contributions.

Supplementary information provides detailed information about the revenues, expenses, and changes in net position, in addition to providing detailed information about the grant activity. In addition, the Schedule of Expenditures of Federal Awards provides details of various federal programs benefitting the Agency.

## FINANCIAL ANALYSIS OF THE AGENCY

### *Statement of Net Position*

As noted earlier, net position may serve over time as a useful indicator of SWIPCO's financial position. SWIPCO's net position at the end of fiscal 2018 totaled \$6,895,124, this compares to \$6,077,364 at the end of fiscal 2017. A summary of SWIPCO's net position is presented below.

### *Statement of Support, Revenues, Expenses, and Changes in Net Position*

Operating revenues are received from federal grants, state grants, and other local sources. Operating expenses are to operate the transit system and programs. The utilization of capital assets is reflected in the financial statements as depreciation, which allocates the cost of an asset over its expected useful life. A summary of support, revenues, expenses, and changes in net position for the years ended June 30, 2018, 2017, and 2016 are presented below:

	Changes in Net Position		
	2018	2017	2016
Public Support and Revenues:			
Public Support	\$ 3,694,822	\$ 4,872,934	\$ 3,321,122
Revenues	<u>1,271,683</u>	<u>541,815</u>	<u>843,028</u>
Total Operating Revenue	<u>4,966,505</u>	<u>5,414,749</u>	<u>4,164,150</u>
Operating Expenses	<u>5,032,396</u>	<u>4,597,192</u>	<u>3,774,038</u>
Operating Income (Loss)	( 65,891)	817,557	390,112
Non-Operating Revenue:			
Interest Income	18,030	5,355	610
Capital Grants	853,574	177,118	41,239
Gain on Sale of Assets	<u>12,047</u>	<u>2,800</u>	<u>2,080</u>
	<u>883,651</u>	<u>185,273</u>	<u>43,929</u>
Excess of Support and Revenue Over Expenses and Increase in Net Position	817,760	1,002,830	434,041
Net Position Beginning of Year	<u>6,077,364</u>	<u>5,074,534</u>	<u>4,640,493</u>
Net Position End of Year	<u>\$ 6,895,124</u>	<u>\$ 6,077,364</u>	<u>\$ 5,074,534</u>

The Statement of Support, Revenues, Expenses, and Changes in Net Position reflects an increase in the net position at the end of the fiscal year.

- Net position for the year increased \$817,760.
- SWIPCO's operating expenses (without depreciation) were \$4,395,094 and operating revenues were \$4,966,505. With depreciation, the total expenses were \$5,032,396 and operating revenues remained at \$4,966,505.
- State funds and federal funds for the year totaled \$3,545,023. These same funding sources for the previous fiscal year totaled \$4,720,890. These same funding sources are projected to remain in 2019 at roughly equivalent levels to fiscal 2018, except as discussed in Note K to the financial statements.

### *Statement of Cash Flows*

The Statement of Cash Flows presents information related to cash inflows and outflows, summarized by operating, noncapital related financing, capital and related financing and investing activities. Cash provided by the operating activities includes federal and state support, program reimbursements, and other revenue, reduced by payments to employees and to suppliers. Cash used by capital and related financing activities includes capital grants, sale of assets, and purchase of capital assets. Cash provided by investing activities includes interest income and changes in designated and restricted assets.

### **CAPITAL ASSETS**

At June 30, 2018, SWIPCO had \$7,195,123 invested in capital assets, net of accumulated depreciation of \$4,043,848. Depreciation expense totaled \$637,302 for fiscal year 2018. More detailed information about SWIPCO's capital assets is presented in Note E to the financial statements.

### **ECONOMIC FACTORS**

Southwest Iowa Planning Council's, including Southwest Iowa Transit Agency Board of Directors (with input from local elected officials and citizens) considered various factors when setting the fiscal year 2019 budget and fees that will be charged for agency activities. SWIPCO's general operations are expected to remain consistent with the previous year, but could vary according to contracts received during the year. Changes in payments for transportation for clients who receive Medicaid benefits are anticipated to be variable due to ongoing changes in Iowa's Medicaid program. In general, transportation for the disabled is anticipated to continue to become less efficient over time as disabled clients are transported more and more to dispersed sites rather than to centralized training centers as in the past, with associated increases in per trip costs.

### **CONTACTING SWIPCO'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of SWIPCO's finances and to show SWIPCO's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Southwest Iowa Planning Council, 1501 SW 7<sup>th</sup> St., Atlantic, IA 50022.

Notes to Financial Statements

NOTE A - REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES

A summary of the Organization's significant accounting policies applied in the preparation of the accompanying financial statements follows.

1. Reporting Entity

Southwest Iowa Planning Council is a voluntary organization formed by the representatives of Harrison, Shelby, Cass, Fremont, Pottawattamie, Mills, Montgomery and Page counties in accordance with Chapter 28E of the Code of Iowa. The purpose of the Organization is to make comprehensive studies and plans for the development of the area it serves, to eliminate planning duplications, to promote governmental economy and efficiency, and to otherwise guide the unified development of the area. The Organization is governed by a seventeen member council appointed for one year terms. Southwest Iowa Transit Agency was formed to administer the transit services for District 13. The Transit Agency is not a separate and distinct entity from the Planning Council. As a combined group of political subdivisions, the Organization is exempt from income taxes.

The Organization has considered all potential component units for which it is financially accountable, and other entities for which the nature and significance of their relationship with the Organization are such that exclusion would cause the Organization's financial statements to be misleading or incomplete. The criteria for determining financial accountability include: appointing a majority of an entity's governing body, and (a) the Organization's ability to impose its will on that entity, or (b) the potential for the entity to provide benefits to or impose financial burdens on the Organization. The Organization has no component units.

2. Basis of Presentation

The Statement of Net Position displays the Organization's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as net position. Net position is reported in the following categories/components:

*Net investment in capital assets* consists of capital assets, net of accumulated depreciation/amortization and reduced by outstanding balances for bonds, notes and other debt attributable to the acquisition, construction or improvement of those assets.

*Restricted net position:*

- a. *Nonexpendable* - Nonexpendable net position is subject to externally imposed stipulations which require them to be maintained permanently by the Organization.
- b. *Expendable* - Expendable net position results when constraints placed on net position use are either externally imposed or are imposed by law through constitutional provisions or enabling legislation. Enabling legislation did not result in any restricted net position.

NOTE A - REPORTING ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING  
POLICIES – Continued

*Unrestricted net position* consists of net position not meeting the definition of the preceding categories. Unrestricted net position is often subject to constraints imposed by management which can be removed or modified.

When both restricted and unrestricted net position is available for use, generally it is the Organization's policy to use restricted net position first.

3. Measurement Focus and Basis of Accounting

Measurement focus refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying basic financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Revenues are recognized when earned and expenses are recorded when the liability is incurred.

4. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

5. Accounts Receivable and Loans Receivable

The Organization considers accounts receivable and loans receivable (included in restricted assets on the balance sheets) to be fully collectible, accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

6. Investments

Investments are reported at fair value except for short-term highly liquid investments that have a remaining maturity at the time they are purchased of one year or less. These investments are carried at amortized cost. Interest, dividends, and gains and losses, both realized and unrealized, on investments are included in non-operating revenue when earned, unless restricted by donor or law.

7. Capital Assets

The Organization's capital assets are reported at historical cost. Contributed capital assets are reported at their estimated fair value at the time of their donation. Capital assets with lives in excess of four years and cost in excess of \$2,000 are capitalized. These capital assets, other than land, are depreciated or amortized (in the case of capital leases) using the straight-line method of depreciation using their estimated useful lives (ten to forty years for buildings and land improvements and five to ten years for equipment). Capital assets and depreciation expense were not recorded by the Organization prior to 1985.

8. Compensated Absences

Full-time employees of the Organization earn paid time off hours at varying rates depending on years of service, up to a maximum of 144 hours per year. Paid time off, at varying rates, up to a maximum of 144 hours may be carried over to the subsequent calendar year. Any excess over 144 hours accumulated by January 1 of each year is lost. The computed amount of paid time off earned by year end is recorded as part of accrued employee compensation.

9. Grant Revenue

Grant proceeds for operating activities are recorded in income as they are earned and are reported as a part of transit and planning council support and revenues. Capital grants are recorded as non-operating revenue. Grant proceeds received but not expended are shown as deferred inflows of resources on the statement of net position.

10. Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid debt instruments with an original maturity of three months or less, including designated and restricted assets.

11. Designated and Restricted Assets

Internally designated assets consist primarily of funds designated by the Policy Council for capital acquisitions. The Policy Council retains control over these funds, and may, at its discretion, subsequently use them for other purposes. Restricted assets include donor restricted gifts, and funds whose use is limited by law or contractual agreements.

12. Deferred Outflows of Resources

Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources (expense) until then. Deferred outflows of resources consist of unrecognized items not yet charged to pension expense and contributions from the Organization after the measurement date but before the end of the Organization's reporting period.

13. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension expense, information about the fiduciary net position of the Iowa Public Employees' Retirement System (IPERS) and additions to/deductions from IPERS' fiduciary net position have been determined on the same basis as they are reported by IPERS. For this purpose, benefit payments, including refunds of employee contributions, are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

14. Deferred Inflows of Resources

Deferred inflows of resources represent an acquisition of net position applicable to a future period(s) and will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows of resources in the Statement of Net Position consists of the unrecognized items not yet charged to pension expense and the unamortized portion of the net difference between projected and actual earnings on IPERS investments and grant proceeds received but not yet expended.

NOTE B - RESTRICTED NET POSITION

Restricted expendable assets are available for the following purpose:

	<u>2018</u>	<u>2017</u>
Revolving loan fund	\$ <u>531,280</u>	\$ <u>538,230</u>

The Organization has no restricted nonexpendable assets or endowments at June 30, 2018 or 2017.

Following is a summary of the use of temporarily restricted assets during the year ended June 30:

	<u>2018</u>	<u>2017</u>

NOTE C - DEPOSITS

The Organization's deposits in banks at June 30, 2018 and 2017 were entirely covered by federal depository insurance or the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to ensure there will be no loss of public funds. Investments are stated as indicated in Note A.

The Organization is authorized by statute to invest public funds in obligations of the United States Government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Policy Council; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The composition of designated assets, which consists entirely of cash, is as follows:

	<u>2018</u>	<u>2017</u>
Internally Designated Assets:		
SWIPCO:		
Vehicle replacement	<u>\$ 74,165</u>	<u>\$ 66,924</u>

The composition of restricted assets is as follows:

	<u>2018</u>	<u>2017</u>
Restricted Assets:		
Cash	\$ 283,189	\$ 136,019
Loans receivable	<u>248,091</u>	<u>402,211</u>
	<u>\$ 531,280</u>	<u>\$ 538,230</u>

Interest Rate Risk - The Organization's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) to instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days, but the maturities shall be consistent with the needs and use of the Organization.

NOTE D - FAIR VALUE MEASUREMENTS

The Organization's investments are reported at fair value in the accompanying statements of financial position. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 1 or 2 inputs were available to the Organization, therefore, Level 3 inputs were used to value its investments at June 30, 2018 and 2017.

*Level 3 Fair Value Measurements*

The loans receivable are not actively traded and significant other observable inputs are not available. Thus, the fair value of the loans receivable is based on contract value

The following tables set forth, by level within the fair value hierarchy, the Organization's investments at fair value as of June 30, 2018 and 2017:

NOTE G - PENSION PLAN

Plan Description - IPERS membership is mandatory for employees of the Organization, except for those covered by another retirement system. Employees of the Organization are provided with pensions through a cost-sharing multiple employer defined benefit pension plan administered by Iowa Public Employees' Retirement System (IPERS). IPERS issues a stand-alone financial report which is available to the public by mail at P.O. Box 9117, Des Moines, Iowa 50306-9117 or at [www.ipers.org](http://www.ipers.org).

IPERS benefits are established under Iowa Code chapter 97B and the administrative rules thereunder. Chapter 97B and the administrative rules are the official plan documents. The following brief description is provided for general informational purposes only. Refer to the plan documents for more information.

Pension Benefits - A Regular member may retire at normal retirement age and receive monthly benefits without an early-retirement reduction. Normal retirement age is age 65, any time after reaching age 62 with 20 or more years of covered employment or when the member's years of service plus the member's age at the last birthday equals or exceeds 88, whichever comes first. These qualifications must be met on the member's first month of entitlement to benefits. Members cannot begin receiving retirement benefits before age 55. The formula used to calculate a Regular member's monthly IPERS benefit includes:

- A multiplier based on years of service.
- The member's highest five-year average salary, except members with service before June 30, 2012 will use the highest three-year average salary as of that date if it is greater than the highest five-year average salary.

If a member retires before normal retirement age, the member's monthly retirement benefit will be permanently reduced by an early-retirement reduction. The early-retirement reduction is calculated differently for service earned before and after July 1, 2012. For service earned before July 1, 2012, the reduction is 0.25% for each month the member receives benefits before the member's earliest normal retirement age. For service earned on or after July 1, 2012, the reduction is 0.50% for each month the member receives benefits before age 65.

Generally, once a member selects a benefit option, a monthly benefit is calculated and remains the same for the rest of the member's lifetime. However, to combat the effects of inflation, retirees who began receiving benefits prior to July 1990 receive a guaranteed dividend with their regular November benefit payments.

NOTE G - PENSION PLAN - Continued

Disability and Death Benefits - A vested member who is awarded federal Social Security disability or Railroad Retirement disability benefits is eligible to claim IPERS benefits regardless of age. Disability benefits are not reduced for early retirement. If a member dies before retirement, the member's beneficiary will receive a lifetime annuity or a lump-sum payment equal to the present actuarial value of the member's accrued benefit or calculated with a set formula, whichever is greater. When a member dies after retirement, death benefits depend on the benefit option the member selected at retirement.

Contributions - Contribution rates are established by IPERS following the annual actuarial valuation which applies IPERS' Contribution Rate Funding Policy and Actuarial Amortization Method. State statute limits the amount rates can increase or decrease each year to 1 percentage point. IPERS Contribution Rate Funding Policy requires the actuarial contribution rate be determined using the "entry age normal" actuarial cost method and the actuarial assumptions and methods approved by the IPERS Investment Board. The actuarial contribution rate covers normal cost plus the unfunded actuarial liability payment based on a 30-year amortization period. The payment to amortize the unfunded actuarial liability is determined as a level percentage of payroll based on the Actuarial Amortization Method adopted by the Investment Board.

In fiscal years 2018 and 2017, pursuant to the required rate, Regular members contributed 5.95% (6.29% beginning July 1, 2018) of covered payroll and the Organization contributed 8.93% (9.44% beginning July 1, 2018) of covered payroll for a total rate of 14.88%.

The Organization's contributions to IPERS for the years ended June 30, 2018 and 2017 totaled \$202,906 and \$177,157, respectively.

Net Pension Liability, Pension Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At June 30, 2018 and 2017, the Organization reported a liability of \$1,770,360 and \$1,660,757, respectively for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2017 and 2016 respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of those dates. The Organization's proportion of the net pension liability was based on the Organization's share of contributions to IPERS relative to the contributions of all IPERS participating employers. At June 30, 2017, the Organization's proportion was 0.0265769%, which was an increase of 0.0001877% from its proportion measured as of June 30, 2016.

NOTE G - PENSION PLAN - Continued

For the years ended June 30, 2018 and 2017, the Organization recognized pension expense of \$272,862 and \$224,412, respectively. The Organization reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	2018 Deferred Outflows of Resources	2018 Deferred Inflows of Resources	2017 Deferred Outflows of Resources	2017 Deferred Inflows of Resources
Differences between expected and actual experience	\$ 16,254	\$ 15,339	\$ 14,678	\$ 19,820
Changes of assumptions	307,607	--	25,338	--
Net difference between projected and actual earnings on IPERS investments	--	18,491	236,605	--
Changes in proportion and differences between Organization contributions and proportionate share of contributions	95,679	2,277	116,789	4,055

	<u>\$ 622,446</u>	<u>\$ 36,107</u>	<u>\$ 570,567</u>	<u>\$ 23,875</u>

Deferred outflows of resources related to pensions of \$202,906 and \$177,157 represent the amount the Organization contributed subsequent to the measurement date will be recognized as a reduction of the net pension liability in the years ended June 30, 2019 and 2018 respectively. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30,	2018	2017
2018	\$ --	\$ 59,456
2019	72,248	59,456
2020	166,962	153,521

Actuarial Assumptions - The total pension liability in the June 30, 2017 actuarial valuation was determined using the following actuarial assumptions applied to all periods included in the measurement:

Rate of Inflation (effective June 30, 2017)	2.60% per annum.
Rates of salary increases (effective June 30, 2017)	3.25% to 16.25%, average, including inflation. Rates vary by membership group.
Long-term investment rate of return (effective June 30, 2017)	7.00% compounded annually, net of investment expense, including inflation.
Wage growth (effective June 30, 2017)	3.25% per annum based on 2.60% inflation and 0.65% real wage inflation.

The actuarial assumptions used in the June 30, 2017 valuation were based on the results of an actuarial experience study dated March 24, 2017.

Mortality rates were based on the RP-2000 Mortality Table for Males or Females, as appropriate, with adjustments for mortality improvements based on Scale AA.

The long-term expected rate of return on IPERS' investments was determined using a building-block method in which best-estimate ranges of expected future real rates (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic equity	24.0%	6.25%
International equity	16.0	6.71
Core plus fixed income	27.0	2.25
Public credit	3.5	3.46
Public real assets	7.0	3.27
Cash	1.0	(0.31)
Private equity	11.0	11.15
Private real assets	7.5	4.18
Private credit	3.0	4.25

Discount Rate - The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed employee contributions will be made at the contractually required rate and contributions from the Organization will be made at contractually required rates, actuarially determined. Based on those assumptions, IPERS' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on IPERS' investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Organization's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate - The following presents the Organization's proportionate share of the net pension liability calculated using the discount rate of 7.00%, as well as what the Organization's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower (6.00%) or 1% higher (8.00%) than the current rate.

	1% Decrease (6.00%)	Discount Rate (7.00%)	1% Increase (8.00%)
Organization's proportionate share of the net pension liability - June 30, 2018	\$ 2,916,842	\$ 1,770,360	\$ 807,094
	1% Decrease (6.5%)	Discount Rate (7.5%)	1% Increase (8.5%)
Organization's proportionate share of the net pension liability - June 30, 2017	\$ 2,686,880	\$ 1,660,757	\$ 794,696

IPERS Fiduciary Net Position - Detailed information about the IPERS' fiduciary net position is available in the separately issued IPERS financial report which is available on IPERS' website at [www.ipers.org](http://www.ipers.org).

Payables to IPERS - At June 30, 2018 and 2017, the Organization reported payables to IPERS of \$19,561 and \$18,463, respectively for legally required employer contributions and \$13,033 and \$12,301, respectively for legally required employee contributions withheld from employee wages which had not yet been remitted to IPERS.

NOTE H - OTHER POST EMPLOYMENT BENEFITS (OPEB)

Plan Description: The Organization operates a single-employer health benefit plan which provides medical/prescription drug benefits for employees, retirees and their spouses. Group insurance benefits are established under Iowa Code Chapter 509A.13. The Organization currently finances the benefit plan on a pay-as-you-go basis. The most recent active member monthly premiums for the Organization and the plan members range from \$435 for single coverage to \$1,226 for family coverage. For the year ended June 30, 2018, the Organization contributed \$167,515 and plan members eligible for benefits contributed \$32,499 to the plan. At June 30, 2018, no assets have been accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75.

OPEB Benefits: Individuals who are employed by the Organization and are eligible to participate in the group health plan are eligible to continue healthcare benefits upon retirement. Retirees under age 65 pay the same premium for the medical/prescription drug benefits as active employees, which results in an implicit rate subsidy.

Retired participants must be age 55 or older at retirement, with the exception of special service participants who must be age 50 with 22 years of services. At June 30, 2018, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries	
currently receiving benefit payments	0
Active employees	<u>26</u>
Total	<u><u>26</u></u>

Net OPEB Obligation: Management of the Organization considers any OPEB obligation, which may exist, to be immaterial. No liability has been recorded.

NOTE I - SUPPORTED ORGANIZATION

The Organization provides administrative support to Southwest Iowa Housing Trust Fund (SIHTF). Support provided includes contracting administrative personnel to SIHTF, collecting revenue and paying expenses of SIHTF, and maintaining the accounting records for SIHTF.

Notes to Financial Statements  
June 30, 2018 and 2017

NOTE J - COMMITMENTS AND CONTINGENCIES

Risk Management

The Organization is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. Settled claims from these risks have not exceeded commercial insurance coverage during the past three years. However, the Organization settled a claim for non-completion of a contract and related legal expenses for a total of \$102,500 to two entities that is recognized in the June 30, 2017 Planning Council Support, Revenues and Expenses.

Subsequent Events

The Organization has evaluated all subsequent events through October 8, 2018, the date the financial statements were available to be issued.

NOTE K - ECONOMIC DEPENDENCY

The Organization received approximately 31% of its total support and revenue through its contract with the Iowa and Federal Departments of Transportation for the year ended June 30, 2018 (26% for 2017). The Organization's contract with the Iowa Department of Transportation has been renewed with a 9% increase for fiscal year ending June 30, 2019. The Organization's contract with the Federal Department of Transportation has been renewed with a 3% decrease for fiscal year ending June 30, 2019.

NOTE L - CONCENTRATION OF CREDIT RISK

The Organization grants credit without collateral to its clients, most of whom are area businesses and local governments. The mix of receivables at June 30, 2018 and 2017, was as follows:

	<u>2018</u>	<u>2017</u>
Local governments	82%	61%
Area businesses	17	38
Individuals	<u>1</u>	<u>1</u>
	<u>100%</u>	<u>100%</u>

NOTE M - BUDGETS AND BUDGETARY ACCOUNTING

The budgetary comparison and related disclosures are not reported as Required Supplementary Information. As there is no legal requirement to adopt a budget, GASB 34 does not require this disclosure.

Changes of benefit terms:

Legislation enacted in 2010 modified benefit terms for current Regular members. The definition of final average salary changed from the highest three to the highest five years of covered wages. The vesting requirement changed from four years of service to seven years. The early retirement reduction increased from 3% per year measured from the member's first unreduced retirement age to a 6% reduction for each year of retirement before age 65.

Changes of assumptions:

The 2017 valuation implemented the following refinements as a result of an experience study dated March 24, 2017:

- Decreased the inflation assumption from 3.00% to 2.60%.
- Decreased the assumed rate of interest on member accounts from 3.75% to 3.50% per year.
- Decreased the discount rate from 7.50% to 7.00%.
- Decreased the wage growth assumption from 4.00% to 3.25%.
- Decreased the payroll growth assumption from 4.00% to 3.25%.

The 2014 valuation implemented the following refinements as a result of a quadrennial experience study:

- Decreased the inflation assumption from 3.25% to 3.00%.
- Decreased the assumed rate of interest on member accounts from 4.00% to 3.75% per year.
- Adjusted male mortality rates for retirees in the Regular membership group.
- Reduced retirement rates for sheriffs and deputies between the ages of 55 and 64.
- Moved from an open 30 year amortization period to a closed 30 year amortization period for the UAL (unfunded actuarial liability) beginning June 30, 2014. Each year thereafter, changes in the UAL from plan experience will be amortized on a separate closed 20 year period.

The 2010 valuation implemented the following refinements as a result of a quadrennial experience study:

- Adjusted retiree mortality assumptions.
- Modified retirement rates to reflect fewer retirements.
- Lowered disability rates at most ages.
- Lowered employment termination rates.
- Generally increased the probability of terminating members receiving a deferred retirement benefit.
- Modified salary increase assumptions based on various service duration.

Basis of Presentation - The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal award activity of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency under programs of the federal government for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2, U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency, it is not intended to and does not present the financial position, changes in financial position or cash flows of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency.

Summary of Significant Accounting Policies - Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, Cost Principles for State, Local and Indian Tribal Governments, or the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Indirect Cost Rate - Southwest Iowa Planning Council, including Southwest Iowa Transit Agency has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Subrecipients - No federal grant awards were passed through to subrecipients during the year ended June 30, 2018.

## Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Policy Council  
Southwest Iowa Planning Council  
and Southwest Iowa Transit Agency

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency, as of and for the years ended June 30, 2018 and 2017, and the related notes to financial statements, and have issued our report thereon dated October 8, 2018.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs that we consider to be significant deficiencies: 18-II-A.

To the Policy Council  
Southwest Iowa Planning Council  
and Southwest Iowa Transit Agency

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Organization's operations for the year ended June 30, 2018 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Organization. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

### Southwest Iowa Planning Council and Southwest Iowa Transit Agency's Responses to Findings

Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control over compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditor's Report on Compliance for Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Policy Council  
Southwest Iowa Planning Council  
and Southwest Iowa Transit Agency

### Report on Compliance for Each Major Federal Program

We have audited Southwest Iowa Planning Council, including Southwest Iowa Transit Agency's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2018. The Organization's major federal program is identified in the summary of the independent auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of Title 2, U.S. Code of Federal Regulations, Part 200 Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

### Opinion on Each Major Federal Program

In our opinion, Southwest Iowa Planning Council, including Southwest Iowa Transit Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

To the Policy Council  
Southwest Iowa Planning Council  
and Southwest Iowa Transit Agency

### Report on Internal Control Over Compliance

Management of Southwest Iowa Planning Council, including Southwest Iowa Transit Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

Year ended June 30, 2018

Part II: Findings Related to the Financial Statements:

INSTANCES OF NONCOMPLIANCE:

No matters were noted.

INTERNAL CONTROL DEFICIENCIES:

18-II-A Segregation of Duties:

Criteria: Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the Organization's financial statements.

Condition: A limited number of people have the primary responsibility for most of the accounting and financial reporting duties.

Cause: The Organization has a limited number of employees which does not allow procedures to be established to adequately segregate duties or provide compensating controls through additional oversight of transactions and processes.

Effect: Inadequate segregation of duties could adversely affect the Organization's ability to prevent or detect and correct misstatements, errors or misappropriation on a timely basis by employees in the normal course of performing their assigned functions.

Recommendation: We recognize that it may not be economically feasible for the Organization to employ additional personnel for the sole purpose of segregating duties, however, it is our professional responsibility to bring this control deficiency to your attention. We recommend that the Policy Council be aware of the lack of segregation of duties and that they act as an oversight group to the accounting personnel.

Response: The Policy Council is aware of this lack of segregation of duties, but it is not economically feasible for the Organization to employ additional personnel for this reason. The Policy Council will continue to act as an oversight group.

Conclusion: Response accepted.
