**GPRA DATA COLLECTION INSTRUCTIONS
ECONOMIC DEVELOPMENT DISTRICTS AND INDIAN TRIBES**

PART I: To be completed by Regional personnel. Recipient should review the information and make changes where necessary.

PART II:

Recipient Section Instructions

Data Collection Period: EDDs and Indian Tribes report investment outcomes for the previous fiscal year. The report is due at the EDA regional office not later than 10 calendar days after the award anniversary. (Example: EDD receiving an investment award on January 1, 2007, reports on assistance provided from January 1, 2007 to December 31, 2008 not later than January 10, 2008.)

The Investment Recipient will complete the recipient section. If there is not sufficient space on the data collection form, you may use additional pages with the EDA investment number and reporting period at the top of each page.

Section 1: Economic Development Districts (EDD) only

Definition: Sub-state jurisdiction members are independent units of government (cities, towns, villages, counties, etc.) and eligible entities substantially associated with economic development that participated in the organization (and continue to participate in the subsequent operations) of the EDD, as set forth by the district's by-laws or alternate enabling document.

Section 2: Economic Development Districts and Indian Tribes

Section 2 a

Definition: Initiatives are projects or strategies, and should be counted only in the fiscal year they were started. If section 2a is greater than zero, Sections 2b thru 2h must be completed.

Section 2f: If reporting 1,500 or over in jobs created or retained, complete the attached EDA GPRA PERFORMANCE VALIDATION FORM FOR CAPACITY BUILDING INVESTMENT RECIPIENTS.

Section 2g: If reporting \$100 million or over in private sector investment, complete the attached EDA GPRA PERFORMANCE VALIDATION FORM FOR CAPACITY BUILDING INVESTMENT RECIPIENTS.

Burden Statement: Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a
