AMES, Iowa – May 19, 2021 – The Iowa Transportation Commission and Iowa Department of Transportation have been working on updating the state long-range transportation plan for Iowa. This plan provides a framework for how future investments should be made to Iowa’s multimodal transportation system. The Iowa DOT is also updating the State Freight Plan, which helps guide investment decisions related to freight transportation. As part of both plan updates, public input is being sought regarding Iowa’s multimodal transportation system....
