

Regional Planning Affiliate 13 STBG/STBG-SWAP FFY2026 Application

The application and supporting documentation must be submitted electronically to Tammy DeBord (tammy.debord@swipco.org) by January 31, 2021.

All project funding is subject to the availability of transportation funds.

Eligibility

- Projects must be consistent with the goals of the RPA13 Long Range Transportation Plan. The project does not need to be listed in the plan.
- Projects must fall into at least one of the following categories:
 - Construction, reconstruction, resurfacing, restoration, and rehabilitation of qualified routes.
 - Capital costs for transit projects and publicly owned intracity and/or intercity bus terminals or facilities.
 - Highway and transit safety programs.
 - Surface transportation planning, highway and transit technology transfer activities.
- Must be sponsored by state, county, or municipal governmental entity.
- Projects will be let through the Iowa DOT's Office of Contracts and must meet the documentation requirements specified by that office.
 - All funds will be received and disbursed by the Iowa DOT. Reimbursement will be received from the Iowa DOT for expenditures on the project.
 - The maximum amount is 80% of the total cost of a project for STBG funds and 100% for SWAP funds.
- An engineer, licensed in Iowa, must prepare all plans and specifications for the project. Additionally, the engineer must oversee work on the project.
- RPA 13 receives federal funding and may not discriminate against anyone on the basis of race, color, or national origin, according to Title VI of the Civil Rights Act of 1964. By applying to receive these funds the applicant acknowledges they understand and adhere to the principles of Title VI when performing activities related to the funding they receive.
